Re: Application of Shoals Sewer Company, Inc. for Approval of Transfer of Sewer System to
Jay M. Sailey and Bonnie J. Santos
Docket No.: 2007-40-S

Dear Mr. Terreni:

This letter is to confirm our telephone conference this morning where it was agreed that the hearing date for taking testimony would be continued and suspended by 60 days or more at the discretion of the Public Service Commission.

I also wish to request that the prefiling date be suspended which I understand is a collateral procedure required by the Public Service Commission.

In the meantime, I am endeavoring to promote the process of transfer.

I would greatly appreciate a copy of any particular rules of procedure which you may suggest.

The applicant, JACAAB Utilities, Inc., appears familiar with the process of application and I am hopeful that we will be working toward that end.

In the event there is any other information which would be helpful to expedite and accommodate this transfer such will be gratefully received.

Thank you very much for your kind consideration of these requests and your cooperation.

Yours truly,

Robert L. Waldrep, Jr.
